| 545 | 545 | 525 | 525 | 510 | 510 |

Green Depth = 29 yds (-1)

The 1st Hole at Dundas Valley greets you with a downhill tee shot that levels out for your approach to the green. Hug the left side on the approach, and you will have the chance to reach the green in two; however, make sure to stay short of the fairway bunker down the left.

Bunkers protect the green left and right with water long, but Birdie is possible on this relatively flat green.

Hole #2 (Par 3)

| CH | A | B | ONS | C | R |
|-----|-----|-----|-----|-----|-----|
| 145 | 145 | 123 | 123 | 105 | 105 |

Green Depth = 27 yds (+4)

The 2nd Hole is a wonderful short uphill Par 3 playing only 150 yards from the back tee. The green is protected by multiple bunkers front and back with little room to miss right or left.

Hit this green and expect a Par but miss the green and you might find yourself with an early Bogey on your card!

Hole #3 (Par 4)

| CH | A | B | ONS | C | R |
|-----|-----|-----|-----|-----|-----|
| 416 | 400 | 400 | 400 | 383 | 383 |

Green Depth = 30 yds (+9)

The 3rd Hole is a dogleg left Par 4 playing alongside one of a series of ridges throughout the course.

Playing up to 420 yards from the back tee, your tee shot drops down to a fairway and then back uphill to a green tucked along the hillside.

Avoid the hidden bunkers left of this green and make sure not to short side yourself on the high side, or face a difficult up and down to save Par.

Hole #4 (Par 3)

| CH | A | B | ONS | C | R |
|-----|-----|-----|-----|-----|-----|
| 200 | 185 | 185 | 185 | 165 | 165 |

Green Depth = 25 yds (+1)

The 2nd of three Par 3s on the Front Nine, the 4th Hole, is still not the longest short hole on the course. Stretching over 200 yards, the hole plays longer than advertised due to the elevated green. Missing left will usually mean a sure bogey, but missing right will give you a chance to save your Par.

Par is a great score here and will likely gain a shot on the field!

Hole #5 (Par 4)

| CH | A | B | ONS | C | R |
|-----|-----|-----|-----|-----|-----|
| 362 | 362 | 335 | 335 | 335 | 335 |

Green Depth = 29 yds (+2)

After the tough Par 3 4th, the 5th Hole offers the chance to make a Birdie. Angled slightly to the right, this short Par 4 plays relatively straight, but presents an elevated blind approach to a circular green with no bunkers.

Expect Par on this hole, but don't get your Skins hopes up if you do make a Birdie!

| 467 | 467 | 450 | 450 | 450 | 450 |

Green Depth = 20 yds (-2)

Playing up and down a gentle rise, the 6th Hole is a short Par 5 where it will take an Eagle to win you the Skin. The main challenge here is avoiding the trees left and right to give you a chance to reach this green in two.

On your approach, take dead aim for the centre of this circular green to give you a makeable putt. There are no bunkers here, so getting up and down is very realistic.

Hole #7 (Par 4)

| CH | A | B | ONS | C | R |
|-----|-----|-----|-----|-----|-----|
| 343 | 343 | 343 | 343 | 343 | 343 |

Green Depth = 24 yds (+2)

The 7th Hole is a short Par 4 with a blind tee shot and a downhill approach to a well-protected green. The fairway ends at the descent of a ridge, so the ideal play is to the end of the fairway.

Big hitters can risk going for the lower fairway, but need to ask themselves if the risk justifies the reward.

This green is protected on all sides, so finding the green is key to securing your Par!

Dundas Valley Golf & Curling Club

Hole #8 (Par 4)

| CH | A | B | ONS | C | R |
|-----|-----|-----|-----|-----|-----|
| 377 | 377 | 366 | 366 | 366 | 366 |

Green Depth = 20 yds (+4)

This short Par 4 plays like #7, where a semi-blind tee shot is required to find a fairway that ends 125 yards from the green. Driver will not be the play for most with the ideal line down the left centre to avoid any issues with the large Maple fronting the green.

This green is protected by three bunkers short right, so the play is the left side of the green. Par is a deceptively good score on this hole!

Hole #9 (Par 3)

| CH | A | B | ONS | C | R |
|-----|-----|-----|-----|-----|-----|
| 225 | 215 | 215 | 215 | 215 | 215 |

Green Depth = 26 yds (-4)

This is the longest Par 3 at Dundas Valley, playing 215-225 yards for everyone in the field. The hole is intimidating in length, but a long fairway section short of the green allows players to roll the ball onto the surface. The bunker right of the green isn't a bad miss, but will still test you in getting up and down.

Par is a great score and is likely gaining a shot on the field.

Hole #10 (Par 5)

| CH | A | B | ONS | C | R |
|-----|-----|-----|-----|-----|-----|
| 493 | 493 | 476 | 476 | 476 | 476 |

Green Depth = 30 yds (+2)

Welcome to the back nine. The golfer is once again asked to trust their instincts playing a blind tee ball at the short Par 5 10th. After driving over a diagonal ridge, the golfer faces a decision as a second diagonal ridge cuts across the hole 100 yards short of the green.

The green is protected by bunkers on three sides, so stay on the short grass for the entire hole for your best chance at Birdie.

| CH | A | B | ONS | C | R |
|-----|-----|-----|-----|-----|-----|
| 359 | 359 | 342 | 342 | 342 | 342 |

Green Depth = 26 yds (+4)

The 11th hole is a short Par 4 where a hog's back on the fairway adds challenge to an otherwise simple hole. If you manage to find a flat lie, take dead aim at the flagstick for a good look at Birdie.

If you end up with a sidehill approach, aim for the centre of the green to secure your Par.

Bunkers protect the green on three sides, and the pin location is the greatest challenge in saving your Par.

| CH | A | B | ONS | C | R |
|-----|-----|-----|-----|-----|-----|
| 518 | 490 | 478 | 478 | 467 | 467 |

Green Depth = 39 yds (-3)

The Par 5 12th offers plenty of room off the tee, but the hole narrows considerably as the golfer approaches the green set neatly in the corner of the property and protected by tall trees and a pond left.

The big hitters can reach this green in two, but missing the green could mean a big number. The safe play is to lay back short of the pond rather than risk the narrow fairway running up to the green.

Hole #13 (Par 4)

| CH | A | B | ONS | C | R |
|-----|-----|-----|-----|-----|-----|
| 322 | 322 | 322 | 322 | 322 | 322 |

Green Depth = 28 yds (-7)

The 13th is the first of two consecutive uphill Par 4's. For a change of pace, the 13th features an open green with a front-to-back sloping green, allowing the player to consider a running approach. The fairway bunkers on the left are only in play for a poor shot.

This is a definite Birdie chance as you start the home stretch back towards the clubhouse!

| CH | A | B | ONS | C | R |
|-----|-----|-----|-----|-----|-----|
| 391 | 391 | 376 | 376 | 364 | 364 |

Green Depth = 28 yds (-4)

The 14th is a stunning hole where the golfer will do well to play down the right, but the tilt of the fairway and the "Line of Instinct" will always pull them left. Expect an extra club or two on your approach to the elevated green protected on all sides by four bunkers.

Par is a good score, and Birdie might put some cash in your pocket!

Hole #15 (Par 3)

| CH | A | B | ONS | C | R |
|-----|-----|-----|-----|-----|-----|
| 125 | 125 | 125 | 125 | 125 | 125 |

Green Depth = 22 yds (+4)

The 15th is the shortest hole on the course. Dropping down from an elevated tee, enjoy the view and check the wind direction before choosing your club.

The green is well protected all around with the only bailout short, so finding this green can mean an easy Birdie putt.

Dundas Valley Golf & Curling Club

Hole #16 (Par 4)

| CH | A | B | ONS | C | R |
|-----|-----|-----|-----|-----|-----|
| 342 | 342 | 342 | 342 | 330 | 330 |

Green Depth = 24 yds (+1)

The 16th is another Par 4 with a forced layup into a fairway ending 65 yards from the green. The ideal play is to the 100-yard marker for a flat lie and a good look to the green slightly below.

Beware of the bunkers to the right of the green, as getting up and down from this position will be a difficult task.

Dundas Valley Golf & Curling Club

Hole #17 (Par 3)

| CH | A | B | ONS | C | R |
|-----|-----|-----|-----|-----|-----|
| 168 | 168 | 168 | 168 | 168 | 168 |

Green Depth = 20 yds (-1)

This medium-length Par 3 is tucked amongst tall trees on all sides, making it challenging to determine wind direction.

There is little room to bail out left and right, but with no bunkers on this hole, getting up and down is a very common occurrence.

This is the GTA Am Tour Hole In One Competition!

Dundas Valley Golf & Curling Club

Hole #18 (Par 4)

| CH | A | B | ONS | C | R |
|-----|-----|-----|-----|-----|-----|
| 463 | 422 | 422 | 422 | 369 | 369 |

Green Depth = 29 yds (-7)

The Par 4 18th is perhaps the most difficult hole on the golf course. With O.B. left, the narrow tee shot intimidates, the rolling fairway challenges, and the open green front and left-to-right kicker short of the green all challenge you.

Par is a fantastic score here, and a Birdie might even help you lift the winner's trophy at the 2025 ENVERTAdigital Invitational!
