CH	A	B	ONS	C	R
438	429	429	429	382	382

18

Green Depth = 31 yds (+3)

A beautiful view overlooking the golf course will start your round. The opening tee shot is downhill to a generous fairway on this long gentle dogleg left Par 4.

Pro's Advice

Favour the right side with your tee shot as the ball runs to the left side of the fairway.

Hole #2 (Par 4)

CH	A	B	ONS	C	R
362	362	351	351	320	320

Green Depth = 22 yds (-6)

This narrow Par 4 bends slightly to the right through the trees to a small green. Be mindful of the wind as the trees can make you think there is none.

Pro's Advice

Hitting a left to right shot makes it easier to hit the fairway. Think about club selection off the tee - your driver may not be the best choice.

Hole #3 (Par 3)

CH	A	B	ONS	C	R
211	178	178	178	165	165

Green Depth = 28 yds (+2)

A long Par 3 that usually plays its full length. The subtle sloping green may leave you scratching your head after a missed putt.

Pro's Advice

The wind is often a factor that may not be noticed from the sheltered tee. Be sure to take enough club!

Hole #4 (Par 5)

CH	A	B	ONS	C	R
558	521	493	493	493	493

Green Depth = 24 yds (+7)

Playing as the longest hole on the course, this Par 5 is narrow in the landing area and usually plays into the prevailing wind. A Par here is a great score. Maintain your focus to hit this narrow fairway. Is Driver the right play?

Pro's Advice

A tee shot in the fairway is a must. Only the longest hitters can hope to be close in two good shots.

Barrie Country Club

Hole #5 (Par 3)

CH	A	B	ONS	C	R
180	180	150	150	150	150

Green Depth = 27 yds (-9)

This Par 3 plays to a green protected on both sides by bunkers. Choose your club wisely and aim for the middle of this green.

Pro's Advice

The front part of the green is open, and the ball may run up. Long or left are both big trouble so miss short or right and save your Par.

Barrie Country Club

Hole #6 (Par 5)

CH	A	B	ONS	C	R
524	524	480	480	480	480

Green Depth = 30 yds (-4)

This is a reachable Par 5 but watch out for the left to right sloping green that bounds a lot of balls into the right rough. Birdie's may be had here but don't get cocky as this tame looking Par 5 can burn you!

Pro's Advice

Keep your tee shot left to add some roll and position your approach shot below the hole for the best chance at Birdie!

Hole #7 (Par 3)

CH	A	B	ONS	C	R
150	150	142	142	131	131

Green Depth = 30 yds (+11)

This short Par 3 is arguably the toughest green on the course. Hitting this green and any two putt is a glaring success. Finding the right tier of this green is crucial to make birdie or save your par!

Pro's Advice

When the flag is on the left of the green, be sure to be to the left, below the hole. When the flag is on the right, take an extra club.

Barrie Country Club

Hole #8 (Par 4)

CH	A	B	ONS	C	R
435	413	413	413	405	405

Green Depth = 27 yds (-6)

This is a generous Par 4 to a large green. Trees on both sides of the fairway should not be a problem for most players. A wayward drive right could end up OB if you're not careful with this tee shot!

Pro's Advice

Time for a good solid drive. Swing in balance for a controlled shot, and don't try to "kill it."

Hole #9 (Par 5)

CH	A	B	ONS	C	R
489	480	466	466	466	466

Green Depth = 30 yds (+6)

#9 is a dogleg right uphill Par 5 with another large, sloping green from back to front. Grip it and Rip it to get home in two! A Birdie is nice, but an Eagle may be required to earn you a Skin!

Pro's Advice

Long hitters can reach the green in two by carrying their tee shot over the fairway bunker; however, watch for the "out of bounds" or turn a Birdie opportunity into a Double!

Barrie Country Club

Hole #10 (Par 4)

CH	A	B	ONS	C	R
398	389	389	389	338	338

Green Depth = 29 yds (-1)

This is a demanding Par 4 that plays downhill, but usually into the wind. The very narrow green has a lateral hazard on the right side. Take dead aim at this narrow green as balls can bound hard away if miss-hit!

Pro's Advice

Your tee shot must stay left to allow an open look at the green for the approach. Aim at the telephone pole for the best results off the tee!

Barrie Country Club

Hole #11 (Par 4)

CH	A	B	ONS	C	R
401	401	372	372	320	320

Green Depth = 33 yds (-10)

This hole has a slight dogleg to the right to a two-level green. "Out of Bounds" and lateral hazard on the left should not be a factor. Bite off as much as you can here as this fairway is very generous!

Pro's Advice

The green slopes right to left. Club selection for the approach is important to position the ball on the correct level of the green.

Barrie Country Club

Hole #12 (Par 5)

CH	A	B	ONS	C	R
475	475	465	465	465	465

Green Depth = 27 yds (+2)

This short Par 5 has plenty of trouble. A lateral hazard left of the fairway, a green with water on the right, and bunkers on the left make it a good challenge. Play this hole with a plan in mind from the tee or else you may be disappointed!

Pro's Advice

Plenty of club selection choices. An accurate tee shot is a must. Missing the fairway forces a lay-up and could lead to a bogey.

Hole #13 (Par 3)

CH	A	B	ONS	C	R
172	172	151	151	151	151

Green Depth = 25 yds (-7)

This is a Par 3 with a large bunker on the right and a green sloping from right to left. Check the wind and put a good swing on it! This hole may look easy but many a round has come un-glued here!

Pro's Advice

It's easier to save of par from short or left than from the bunker.

Hole #14 (Par 4)

CH	A	B	ONS	C	R
421	385	385	385	344	344

18

Green Depth = 38 yds (-1)

A lateral hazard runs down the left side of this hole, which cuts in slightly about 100 yards from the green. Did someone say water? What water? Don't even think about going left here!

Pro's Advice
 Play your tee shot to land about 130 yards from the green. If downwind, a driver may not be needed.

Barrie Country Club

Hole #15 (Par 4)

CH	A	B	ONS	C	R
391	391	331	331	331	331

Green Depth = 30 yds (-2)

This is a very demanding hole with a hazard on both sides of the tee shot and a green with a hazard on the left, a bunker and trees on the right. Pick your line and make an aggressive swing as birdies can be had here!

****Pro's Advice****

Long hitters can carry the right-side hazard. A right to left ball flight can help shorten the hole.

Hole #16 (Par 3)

CH	A	B	ONS	C	R
167	167	167	167	167	167

Green Depth = 30 yds (+3)

This Par 3 is in a quiet setting surrounded by trees. The water hazard short and left should not be a problem. This hole looks tougher than it is!

****Pro's Advice****

Club choice is key, so check to see if the wind may be helping.

This is the GTA Am Tour Hole in One Competition!

CH	A	B	ONS	C	R
398	398	370	370	339	339

7

27

Green Depth = 30 yds (+12)

This is a narrow Par 4 through the trees, which starts the uphill trek back to the clubhouse. Be very careful as many a good round has been derailed on this hole.

Pro's Advice

Keep left off the tee to get an extra roll and avoid the large tree on the right side that protects the green. The green has a severe slope back to front.

Hole #18 (Par 5)

CH	A	B	ONS	C	R
483	483	466	466	466	466

Green Depth = 30 yds (+9)

This uphill Par 5 yields many Pars and Birdies. A shortish hole that can end your round on a "high", but a difficult green that could end your dream round with an other!

Pay no attention to the crowd watching your every move!

Pro's Advice

Long hitters can carry the right-side fairway bunker and go for the green in two. Club selection is very important when approaching the green with the shot uphill and often into the wind, but the green tells you "don't be long."
