Hole #1 (Par 4)

CH	A	B	ONS	C	R
341	341	332	332	332	332

Green Depth = 28 yds (-2)

Your opening hole is a short straightaway Par 4 that plays a club less off the tee and at least a club extra on your approach.

Hitting the green is key here to guarantee Par, but below the hole is a must if you want to start with a Birdie!

Beware of the false front or you may end up off the putting surface!

Hole #2 (Par 5)

CH	A	B	ONS	C	R
534	527	515	515	515	515

Green Depth = 24 yds (-4)

This baby dogleg right Par 5 is reachable in two for long hitters depending on wind conditions; however, protect against the pond left of the green, which lurks about 90 yards away. The ideal line is right centre off the tee but avoid the Fairway Bunkers. O.B. Lurks down the entire right side, but it won't be in play for most tee balls.

This hole may yield some Birdies!

Hole #3 (Par 3)

CH	A	B	ONS	C	R
151	151	142	142	142	142

Green Depth = 35 yds (-1)

Your 1st Par 3 at Brampton is also the shortest Par 3 you will face.

A wedge or short-iron below the hole will leave a Birdie chance; however, missing left or right will leave a tough up and down with minimal green to work with!

Beware of the bunkers on both sides, as sand saves are hard to come by!

This is probably the shortest Par 4 on the GTA Am Tour! lol

Hole #4 (Par 4)

CH	A	B	ONS	C	R
450	440	396	396	396	396

Green Depth = 36 yds (-6)

This long Par 4 will test your skill as it usually plays even longer than the card indicates. The right of centre is the ideal tee shot, but avoid the right rough, or you may be forced to lay up.

If you navigate two solid shots, be sure not to lose your concentration or you will find yourself with a 3-putt bogey.

Hole #5 (Par 4)

CH	A	B	ONS	C	R
439	404	404	404	361	361

Green Depth = 29 yds (-6)

After playing the #3 Handicap Hole, you are tested again by the toughest hole at Brampton. This straight & lengthy Par 4 has an extremely wide green that is lacking in depth.

The long hitter can carry the trees down the right for a mid-iron approach; however, distance control is key on the approach if you want to hit this green. If you make Par here, pat yourself on the back!

Hole #6 (Par 4)

CH	A	B	ONS	C	R
339	339	322	322	322	322

Green Depth = 40 yds (-16)

After two difficult holes, you get a bit of a break with this short par 4. Although tempting for the long hitter, a play to 100 yards and a wedge to the green often means an easy Par.

Beware of this green, as a large slope splits this green. Being on the right section is a must in order to make a Birdie!

Hole #7 (Par 3)

CH	A	B	ONS	C	R
189	189	166	166	145	145

Green Depth = 40 yds (-6)

The Par 3 7th Hole is a long Par 3, which tempts you to bailout right; however, getting up and down from the right is more difficult than the bunkers due to the right to left slope of the green.

To score Birdie or Par, make sure to be left of the Pin!

Hole #8 (Par 4)

CH	A	B	ONS	C	R
376	376	376	376	356	356

Green Depth = 40 yds (+11)

This short Par 4 is gettable for both the long and short player. Long players can carry the willow tree down the right for a flip wedge to the green, but a play to the 150-yard marker will also yield some Birdies.

Either way, stay short of the Back Pin at all costs or test your nerves with an extremely difficult chip!

Hole #9 (Par 5)

CH	A	B	ONS	C	R
544	514	514	514	481	481

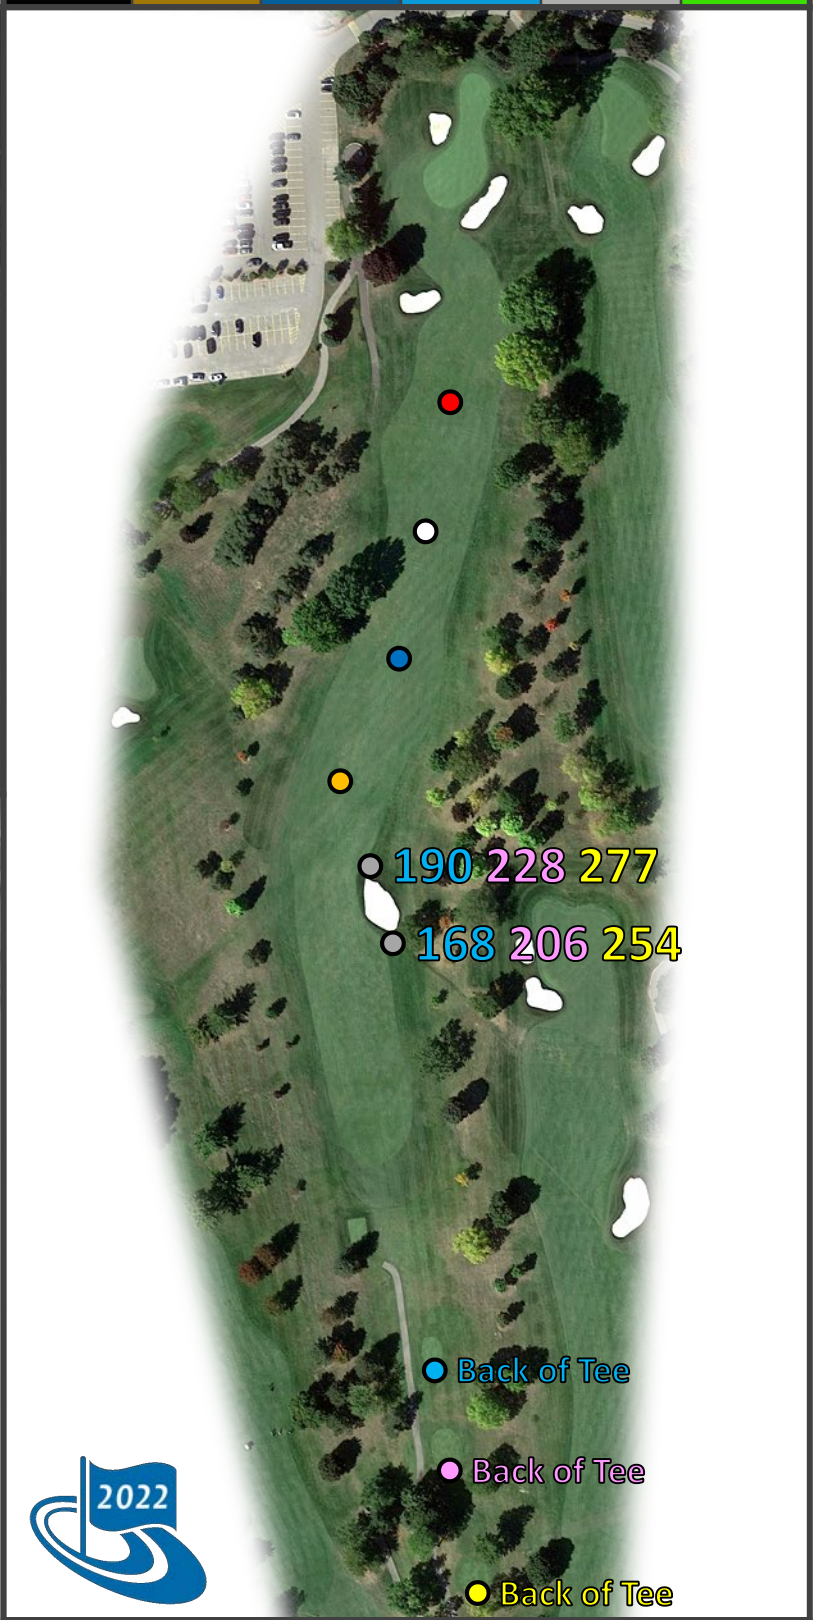

Green Depth = 52 yds (+2)

This long Par 5, bending slightly right, is a three-shotter for most players. As with most of the holes at Brampton, playing from 100 yards is your best chance at a Birdie.

With the deepest green on the course at 52 yards, club selection is key to finding yourself with a Birdie chance as you end the front nine.

Hole #10 (Par 4)

CH	A	B	ONS	C	R
416	416	395	395	357	357

Green Depth = 26 yds (+2)

The 10th Hole at Brampton is another hole that plays much longer than advertised. This is the most important hole to find the short grass in order to control your approach to the green.

As with most holes, stay below the hole or risk a bogey!

Hole #11 (Par 3)

CH	A	B	ONS	C	R
160	150	139	139	139	139

Green Depth = 25 yds (-6)

The 11th Hole is a medium length Par 3, where the largest defence is the ridge splitting The green from the front left to the back right.

You must be on the correct side for a makeable Birdie putt, but anywhere on the green should yield a 2 putt.

Hole #12 (Par 4)

CH	A	B	ONS	C	R
387	387	367	367	356	356

Green Depth = 42 yds (+3)

This short Par 4 gives most players a breather if they play smart. The pond off the tee is deceptively close, so a tee shot to the 150-yard marker is most desirable for a good approach shot to this narrow green!

Avoid the Pond left of the green and it should be an easy Par!

Hole #13 (Par 3)

CH	A	B	ONS	C	R
157	145	145	145	115	115

Green Depth = 20 yds (+3)

This Par 3 is medium-length, where the wind often plays havoc with your tee shot. A front left pin placement will yield the most Birdies, but avoid the front bunker for your best chance at Par.

Missing short and left will give you a makeable up and down, as you will be chipping into the slope of this green. Some scoring holes await, so be patient here and don't get greedy!

Hole #14 (Par 5)

CH	A	B	ONS	C	R
544	544	503	503	503	503

Green Depth = 32 yds (+1)

The 14th Hole is a straightaway long Par 5 that is potentially reachable by long hitters if they can carry the right bunkers off the tee. Aim at the Red Maple Tree off the tee and find the short grass.

There is a ridge splitting the left and right of this green, so a layup to 100 yards will give the best chance to find the correct section.

Hole #15 (Par 4)

CH	A	B	ONS	C	R
399	386	352	352	352	352

Green Depth = 34 yds (+7)

This short Par 4 gives players multiple choices off the tee from Driver to long irons. Play down the left side for the best angle to the green and control your distance for a chance at a Birdie.

Another ridge splits the front and the rear of the green, so make sure to find the correct level if you want a red number on your scorecard!

Hole #16 (Par 3)

CH	A	B	ONS	C	R
170	170	170	170	170	170

Green Depth = 30 yds (-2)

Considered by many to be the signature hole at Brampton, this elevated Par 3 can stretch to over 200 yards from the tips. Despite the beauty, make sure to check the wind, which is rarely felt from the tee.

A 2-putt Par is much more than acceptable!

This is the GTA Am Tour Hole-in-One Competition!

Hole #17 (Par 5)

CH	A	B	ONS	C	R
496	496	466	466	466	466

Green Depth = 32 yds (-5)

The penultimate hole at Brampton is a challenging dogleg-right Par 5 that demands respect, as its yardage and creek crossing have caught many players off guard.

Consider playing this hole as a 3-shot hole, putting your courage aside to maximize your chances of making a Birdie!

The green slopes steeply from the back to the front with a false front coming into play for the front pin, so distance control is most important for success on this hole!

Hole #18 (Par 4)

CH	A	B	ONS	C	R
415	415	373	373	373	373

Green Depth = 33 yds (+6)

Your only dogleg left at Brampton comes at #18. Although intimidating off the tee, many players can carry the left bunkers and shorten this hole with just a wedge approach.

Don't miss left, or it means reaching into the bag for another TaylorMade ball!

If you find this narrow fairway, an approach to this green will find a very makeable Birdie putt!

Thanks to Mr. McBurney for his continued support of our Tour!
