NOTICE TO COMPETITORS

This information supplements the 2026 Local Rules and Terms of Conditions for the GTA AM Tour. The current issue of the Golf Canada Rules of Golf govern play. **Any rules on the host club scorecard do not apply**. **Penalty for breach of a Local Rule is the general penalty, unless otherwise noted.**

1. **OUT OF BOUNDS (Rule 18.2):** See GTA AM Tour Hard Card for how Out of Bounds is defined.

2. **HOST CLUB DROP ZONES ARE NOT AVAILABLE:** Any Drop Zone available at this event will be indicated by a GTA AM Tour sign.

3. **PENALTY AREAS (Rule 17):** Red and yellow lines define the edge of the penalty area. Where penalty areas are not marked with lines, the change in the height of the grass defines the edge of the penalty area. Where there is no change in the height of the grass, the penalty area is defined by its natural boundaries. Unmarked penalty areas are red penalty areas.

4. **OBSTRUCTIONS AND GROUND UNDER REPAIR (Rule 16.1 applies)**: Any areas of ground under repair will be marked or noted.

   NO PLAY ZONES: Areas that are ornamental garden beds, turf nurseries or decorative flowerbeds are No Play Zones that are to be treated as Ground Under Repair. Players must proceed under Rule 16.1

   PERMANENT FANS are immovable obstructions. Players may take free relief under 16.1.

5. **PRACTICE AREA:** The short range to the right of #1 & #9 is part of the general area. All practice greens are wrong greens from which a player MUST take free relief under 13.1f.

Hole #1 (Par 5)

CH	A	B	ONS	C	R
470	470	460	460	460	460

Green Depth = 29 yds (+7)

Welcome to the 2026 Mazda Classic

The opening hole at Maple Downs is a reachable, slight dogleg left Par 5 that gives you the chance to start with a Birdie or Par. If you decide to lay up, avoid the right Fairway Bunker about 90 yards from the green. The small green is protected by 2 front bunkers, so make sure to find the surface to ensure your Par.

Hole #2 (Par 3)

CH	A	B	ONS	C	R
168	168	168	168	168	168

Green Depth = 30 yds (-5)

The first short hole you face is a downhill Par 3 that can stretch over 200 yards from the back tee but will play as a medium-length 168-yard hole for today's players. Exposed to the wind, club selection will be key to finding the green and making an easy par. Missing the green left or right could mean a difficult sand save.

This Is the GTA Am Tour Hole-in-One Competition!

Hole #3 (Par 4)

CH	A	B	ONS	C	R
376	344	344	344	310	310

Green Depth = 28 yds (+6)

This short Par 4 will test your strategic skills, as the fairway narrows 250-270 yards from the tee with fescue and trees lurking down the left. Long hitters may choose to challenge the corner and be rewarded with a short approach shot and a chance at a Birdie.

Most players will lay back to 130 yards, leaving a short iron to this small circular green.

Hole #4 (Par 4)

CH	A	B	ONS	C	R
358	323	306	306	274	274

Green Depth = 34 yds (+9)

Another short Par 4 that gives a strategic choice off the tee and rewards an aggressive play with a short approach. The entire hole drops off on the left side so be happy if the left fairway bunker stops your ball from a worse fate. The prudent play is to play up the right side, which offers bailout and an angle to any left hole location.

Despite its length, Par Is a good score!

Hole #5 (Par 5)

CH	A	B	ONS	C	R
493	493	462	462	462	462

Green Depth = 28 yds (-5)

The 5th hole is widely considered the Signature Hole at Maple Downs. The 2nd of four reachable Par 5s plays downhill and slightly to the right. If you do decide to challenge the green in two, only the best struck approach shots will avoid a watery grave known to swallow every ball coming up short. This hole can make or break your front 9, so you need to decide ahead of time if you want to attack it!

mazda

Maple Downs Golf & Country Club

Hole #6 (Par 4)

CH	A	B	ONS	C	R
425	400	400	400	305	305

Green Depth = 32 yds (-8)

The 6th hole is a lengthy and challenging Par 4, where hitting the ball straight is the key to success.

With little room to bail out, a center drive is mandatory if you want to find the green in regulation. The green is a fair test, so if you miss the green, getting up and down is a reasonable possibility.

mazda

Maple Downs Golf & Country Club

Hole #7 (Par 4)

CH	A	B	ONS	C	R
334	334	324	324	324	324

Green Depth = 34 yds (+6)

The 7th hole is a medium length Par 4 where accuracy is vital. Playing downhill, the undulating fairway narrows 90 yards from the green. Often playing from an uneven lie, your approach shot is to a large green protected by bunkers on the left and the right. This hole will yield some Birdies, but can surprise you with a bogey.

mazda

Maple Downs Golf & Country Club

Hole #8 (Par 3)

CH	A	B	ONS	C	R
174	174	142	142	142	142

Green Depth = 34 yds (+5)

This medium-length Par 3 plays slightly downhill and looks completely benign; however, a miss left of the green will surely mean bogey or worse, as a steep slope will mean a difficult Par. The miss is short and right of the green and will give you a good chance to save Par, but finding the surface here will give you a good chance at writing a birdie 2 on your card!

mazda

Maple Downs Golf & Country Club

Hole #9 (Par 5)

CH	A	B	ONS	C	R
495	495	480	480	480	480

Green Depth = 27 yds (-1)

The 3rd Par 5 on the front 9 will reward another accurate tee shot and give the long player the chance to challenge this green in two. Avoid the right fairway bunker and unleash your inner pro by going for this green in two! If you need to lay-up, make sure to stay short of the fairway bunker, or find yourself with an awkward chip if you're too close to the green.

HOLE #10 (PAR 4)

CH	A	B	ONS	C	R
446	423	423	423	406	406

Green Depth = 31 yds (+7)

The back nine greets you with a long Par 4 playing downhill and bending slightly to the left. The ideal play is down the right centre to catch a speed slot and gain a few extra yards.

The approach shot is a challenging ordeal, as the green angles left to right, protected by a greenside bunker if you miss short right.

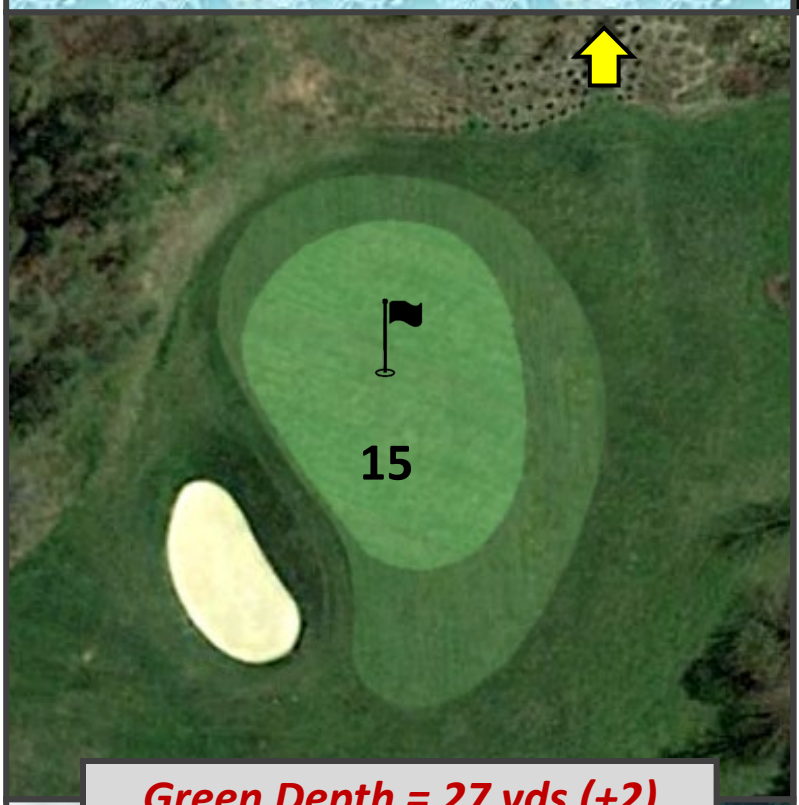

mazda

Maple Downs Golf & Country Club

Hole #11 (Par 3)

CH	A	B	ONS	C	R
156	144	144	144	118	118

Green Depth = 27 yds (+2)

Lucky #11?

With one of the smallest greens at Maple Downs, this short Par 3 requires all your attention to wind and club selection to find the surface. Make sure not to short-side yourself if you miss, as a par save will be difficult on this fast and sloping green.

2018

mazda

Maple Downs Golf & Country Club

Hole #12 (Par 4)

CH	A	B	ONS	C	R
302	302	302	302	282	282

Green Depth = 33 yds (+3)

The 12th hole is the signature hole on the back nine and offers long players a chance at an Eagle by driving the green; however, if you leak the ball right, you might take a penalty stroke. The safe play is to lay up short of the fairway bunkers and hug the left side for the best angle to the green. Members consider this the best strategic hole at the club!

mazda

Maple Downs Golf & Country Club

Hole #13 (Par 5)

CH	A	B	ONS	C	R
481	481	465	465	465	465

Green Depth = 30 yds (+12)

The 13th hole is another short Par 5 without a fairway bunker; however, the blind landing area will mean a challenging tee shot. If you find the narrow sloping fairway, a right-to-left shot will be needed to challenge this green. If you lack the horsepower, a lay-up to your desired yardage may be the key to making a Birdie; however, all players must respect this undulating green!

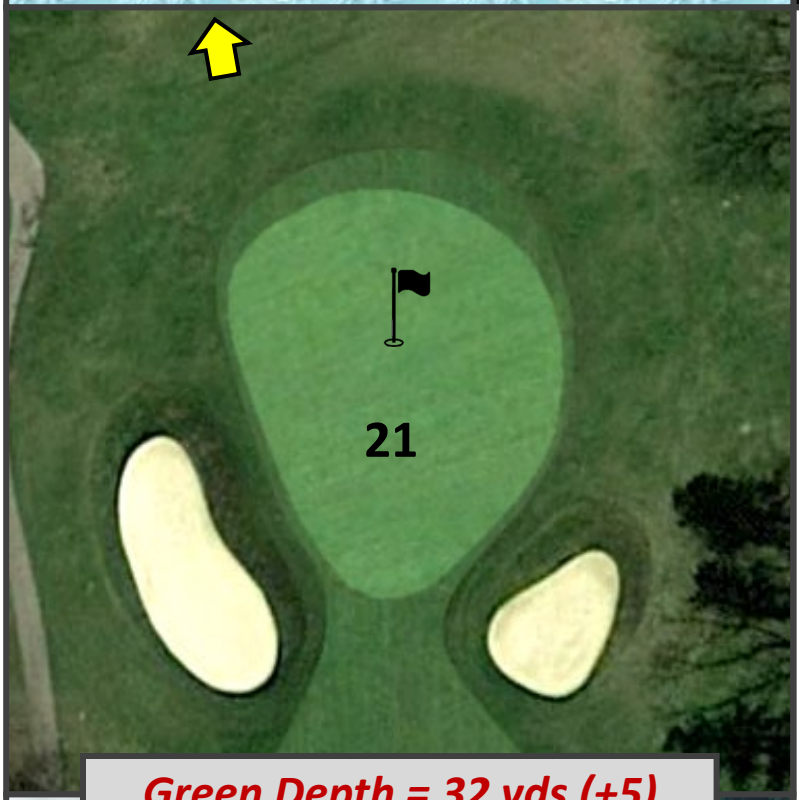

mazda

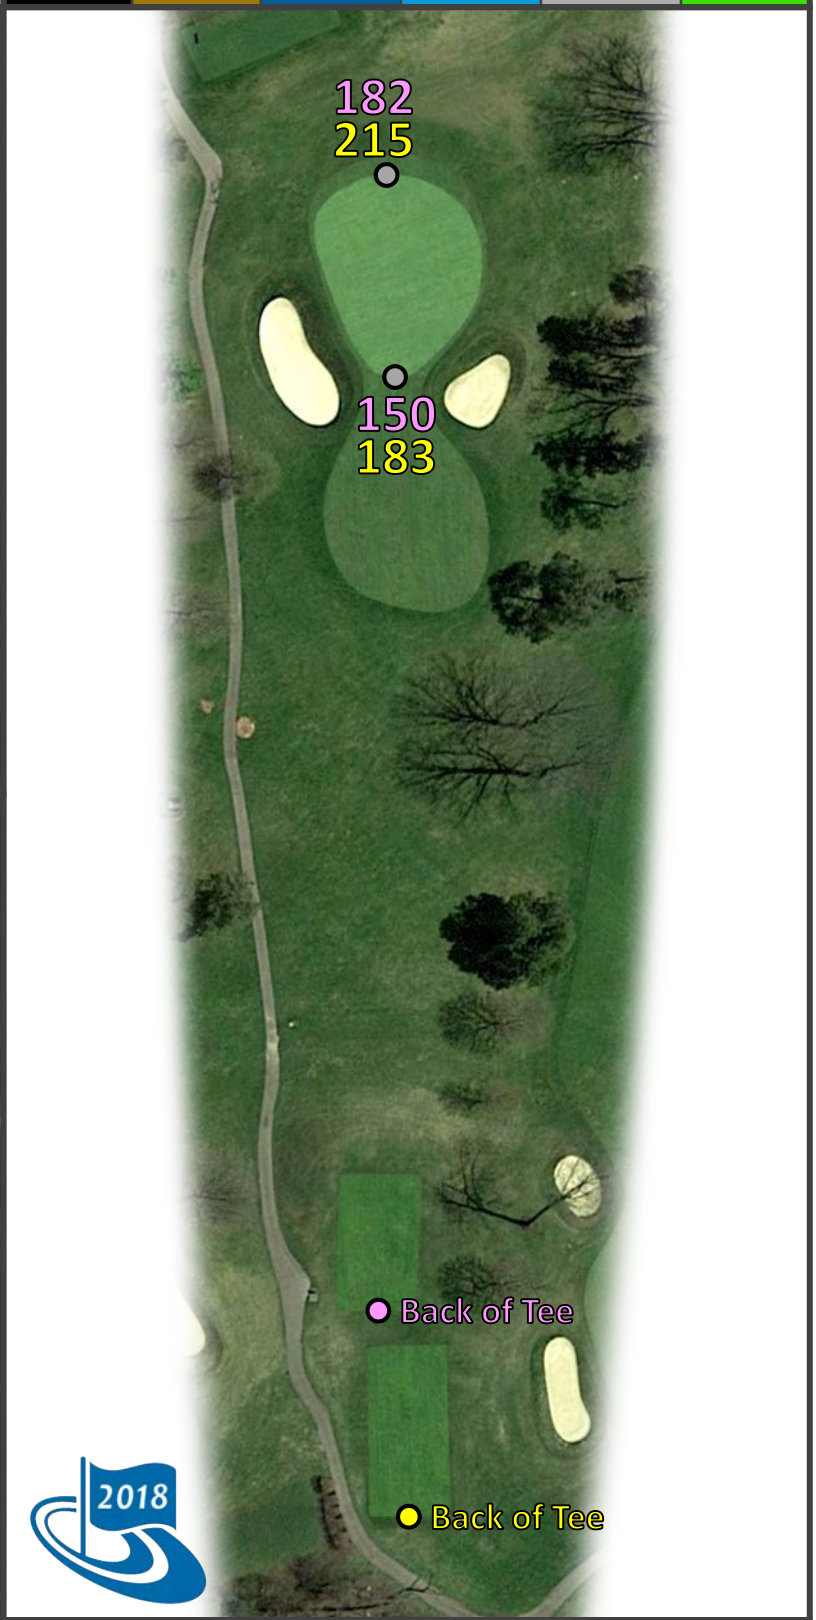

Maple Downs Golf & Country Club

Hole #14 (Par 3)

CH	A	B	ONS	C	R
190	178	178	178	153	153

Green Depth = 32 yds (+5)

#14 Beware!

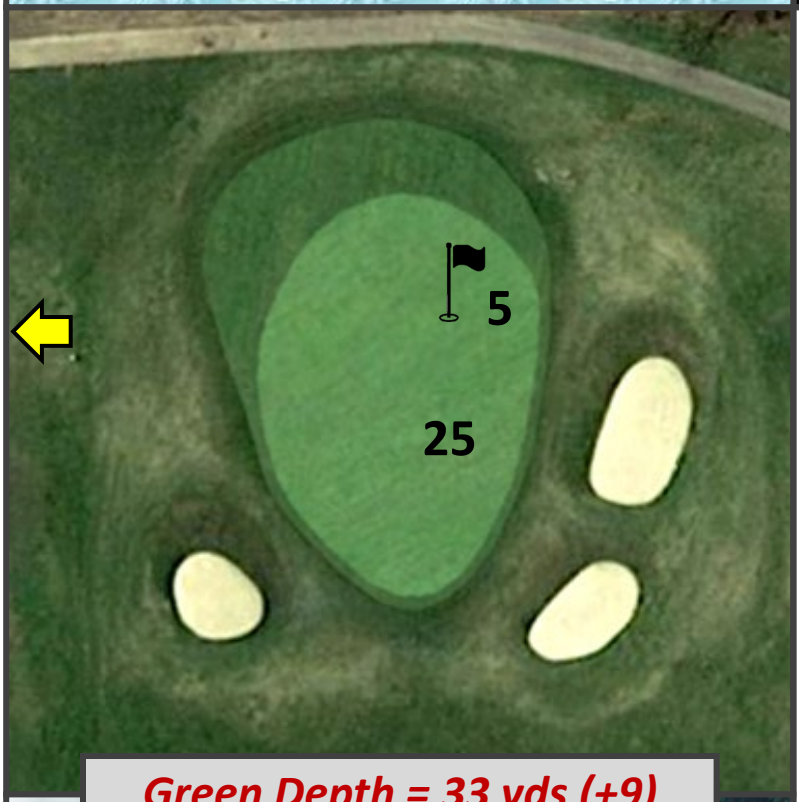

The last of the short holes, the 14th, is a medium-length Par 3 that plays uphill and is longer than advertised. Although bunkers protect the green left and right, the challenge is club selection and wind, so make sure to choose wisely!

mazda

Maple Downs Golf & Country Club

Hole #15 (Par 4)

CH	A	B	ONS	C	R
375	360	360	360	337	337

Green Depth = 33 yds (+9)

The 1st of four Par 4s to end your round presents an intimidating look from the tee, with a large tree looming immediately off your left. An ideal tee shot is from right to left to find this bunker-less fairway. The downhill 2nd shot is to a large green where 3-putts will often appear.

mazda

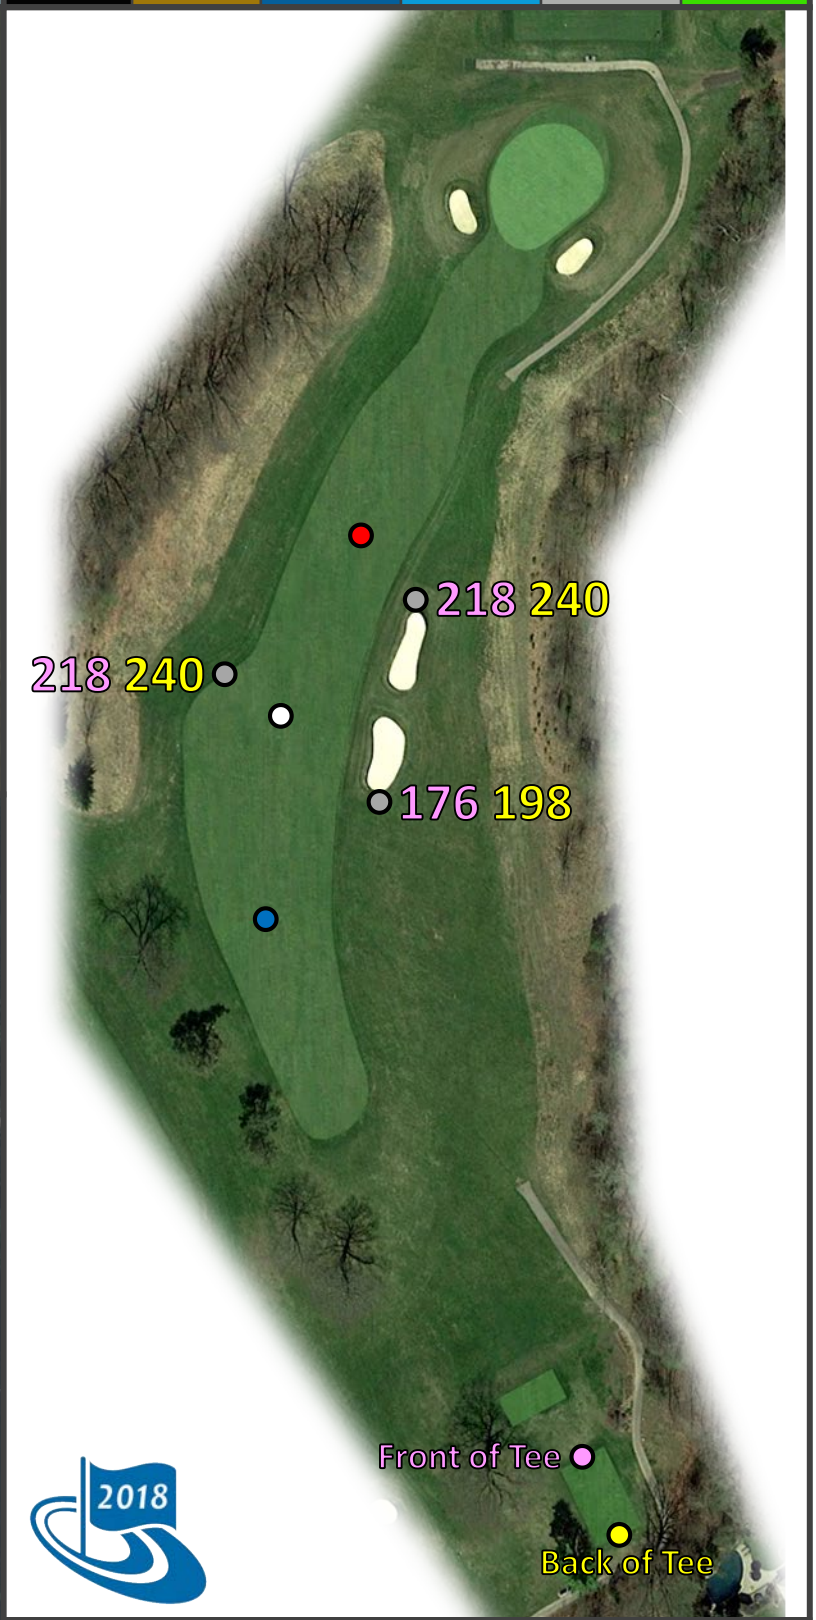

Maple Downs Golf & Country Club

Hole #16 (Par 4)

CH	A	B	ONS	C	R
376	376	365	365	365	365

Green Depth = 34 yds (+8)

This beautiful sweeping dogleg right offers a myriad of options from the tee. Challenge the right fairway bunkers and hazard for a short approach, or play it safe to the left for a longer approach.

Whichever you choose, the receptive and accessible green will offer up some birdies, so make sure to take advantage of this hole late in your round!

mazda

Maple Downs Golf & Country Club

Hole #17 (Par 4)

CH	A	B	ONS	C	R
424	424	403	403	403	403

Green Depth = 32 yds (+5)

The penultimate hole at Maple Downs is a downhill Par 4 that narrows for the long hitters.

The ideal play is the right side of the fairway, which will open your approach shot for the best angle to the green.

The green is relatively large; however, you can expect a difficult 2-putt for Par, if you don't hit it close to the Pin!

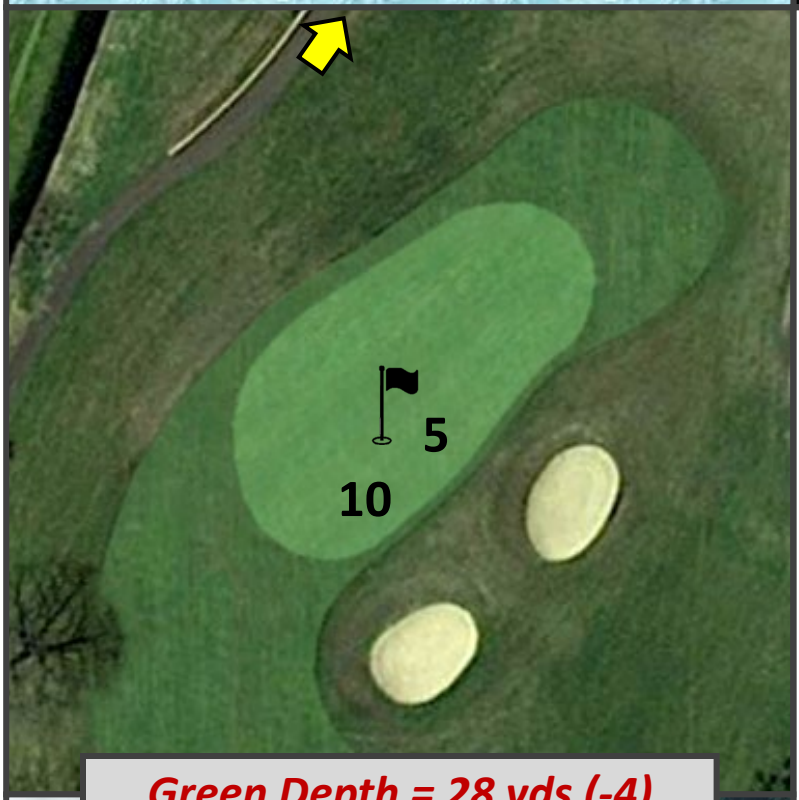

2018

mazda

Maple Downs Golf & Country Club

Hole #18 (Par 4)

CH	A	B	ONS	C	R
402	373	373	373	340	340

Green Depth = 28 yds (-4)

The 18th hole heads back uphill to the clubhouse and has a narrow landing area that will require your full attention. This skinny Par 4 offers a slight bailout to the right, but club selection will be critical, as the hole is often played into the prevailing wind, and the green is situated from left to right. Find the green in regulation, and a Par or Birdie here will be an excellent way to finish off your day!
