1. **OUT OF BOUNDS (Rule 18.2):** See GTA AM Tour Hard Card for how Out of Bounds is defined.

Hole #1 (Par 4)

CH	A	B	ONS	C	R
366	366	366	366	366	366

Green Depth = 28 yds (+4)

Simply Cottage welcomes you to THE PLAYERS CHAMPIONSHIP

This opening Par 4 is a great starting hole. The ideal tee shot is down the right side of the fairway. A good tee shot here will give you a great angle into a green protected by water on the left side.

Big hitters should put the driver away and use their 3-wood or driving iron.

Hole #2 (Par 4)

CH	A	B	ONS	C	R
352	352	352	352	325	325

Green Depth = 29 yds (-8)

This short Par 4 is uphill from the tee to the green. Bunkers are in play on either side of the fairway, so make sure to avoid these and split the middle.

Bunkers also guard the green in front and out to the right with a penalty area behind the green.

Hole #3 (Par 4)

CH	A	B	ONS	C	R
418	386	386	386	386	386

Green Depth = 34 yds (-4)

This dog leg left is the second-longest Par 4 on the front nine. Driver is a good option on this hole; however, with trouble down the entire right side, keep your tee shot down the left side of the fairway.

Your 2nd shot will be uphill to a green protected on the left by a pond. Par is a great score!

Hole #4 (Par 3)

CH	A	B	ONS	C	R
140	140	140	140	120	120

Green Depth = 32 yds (+5)

The 4th hole is a short Par 3, but don't let the distance fool you.

The large green is slightly elevated, and you will need to execute a solid tee shot for a chance at a Birdie.

The green is protected on the right by a large bunker, and be careful as a 3-putt could sneak up on you if you let your focus wander!

Hole #6 (Par 4)

CH	A	B	ONS	C	R
333	333	320	320	320	320

Green Depth = 25 yds (-2)

Put the driver away. Laying up short of the water is key on this hole. The ideal play here is a long iron/hybrid that you can hit between 190 to 230 yards to give yourself 100 to 140 yards into the green.

A large pond is situated directly in front of the green, and another small pond can be found directly behind it. Play safe and smart. Distance control is the key to securing your Par!

Hole #7 (Par 3)

CH	A	B	ONS	C	R
165	165	165	165	165	165

Green Depth = 28 yds (+8)

Just like the first Par 3 at Carrying Place, this green is elevated and plays a little longer than advertised. Bunkers are placed on the front left and right, but going long will make for a difficult up-and-down. Birdie will not win a skin, but an Ace should suffice!

This is the GTA Am Tour Hole In One Competition!

Hole #8 (Par 5)

CH	A	B	ONS	C	R
485	485	445	445	445	445

Green Depth = 31 yds (-12)

The only Par 5 on the front nine features a two-tiered fairway that can entice longer hitters to play left of the fairway bunkers. Be sure to check your yardage on the tee to ensure you cover the water. The safe play is to the top tier fairway on the right, then to the landing area to give a short approach into the green. Longer hitters can hit left of the fairway bunkers to leave a mid-iron or less into this green. The green is protected with subtle undulations, so take your time putting to avoid a three-putt.

Hole #9 (Par 4)

CH	A	B	ONS	C	R
338	338	338	338	318	318

Green Depth = 31 yds (+7)

A nice, gentle finish to your front nine awaits you at the 9th hole.

This Par 4 is uphill the entire way but plays straight away with minimal trouble lurking on either side unless you really mess up.

A well-placed tee shot on the right side of the fairway will give you the best look into this tight green.

Avoid the left side of this hole if you want to stay out of trouble.

Hole #10 (Par 3)

CH	A	B	ONS	C	R
187	177	146	146	146	146

Green Depth = 37 yds (+2)

A long shot over the pond is what awaits golfers making the turn. It's a hole that requires a solid strike to carry the water with a bunker behind the narrow green.

Check the wind, as the tee is somewhat protected, which can give you a false sense of what's really there.

Picking the correct club and swinging with confidence is the key to success on this Par 3.

Hole #11 (Par 4)

CH	A	B	ONS	C	R
394	365	365	365	365	365

Green Depth = 33 yds (+7)

The pond you carried on #10 is also in play down the right side on this Par 4 but you must also contend with out of bounds down the left. Accuracy is more important that distance here, so drive it straight and play safe.

Your uphill approach into the two-tiered green could lead to three putts. Take your time, as Par is a good score on this hole.

Hole #12 (Par 3)

CH	A	B	ONS	C	R
186	186	154	154	154	154

Green Depth = 33 yds (-9)

This is the last of the Par 3's at Carrying Place. While it is not the longest Par 3 on the course, the green is well protected with bunkers and water on the right and a huge slope on the left.

With a front pin, the best play is to land one just slightly short of the green as it should hop on.

This may look easy, but this hole can jump up and bite you in the Butt!

Hole #13 (Par 5)

CH	A	B	ONS	C	R
501	501	501	501	460	460

Green Depth = 24 yds (+3)

This long Par 5 will test players' accuracy and distance. A good tee shot will be down the left-centre of the fairway, giving the longer hitters the chance to Go For It in 2!

You will have to contend with trees on both sides for the second shot & will reward accuracy and distance to give you a good look for your third.

The green is very wide and slopes from front to back.

Hole #14 (Par 4)

CH	A	B	ONS	C	R
330	330	330	330	330	330

Green Depth = 24 yds (0)

This short Par 4 doesn't require a driver, but a great drive will leave you with an excellent Birdie chance. A 3-wood or driving iron will also work here, giving you a chance to make Birdie if you avoid the fairway bunkers.

The green plays downhill and is protected by a bunker in front and bushes behind. Do not go long. The green is quite tricky if you are not patient when reading the putts. Take your time, and you should score well here.

Hole #15 (Par 4)

CH	A	B	ONS	C	R
394	394	387	387	387	387

Green Depth = 37 yds (-13)

This tee is your last call to loosen up your swing!

This long, uphill Par 4 requires accuracy and length to score well, as a bad tee shot will likely result in a Bogey or worse.

The large green is protected by a large bunker on the right and slopes quite a bit, which could make putting on this green a real challenge.

Hole #16 (Par 4)

CH	A	B	ONS	C	R
355	355	340	340	340	340

Green Depth = 33 yds (-8)

A hard dog leg right where some Risk/Reward comes into play. Aim to be short of the fairway bunker on the far side of the fairway.

In doing so, you leave yourself with a great angle into the flat green. Players trying to cut the corner could find trouble in the trees on the right.

The green is elevated and narrow with a severe slope from back to front. Par is good, but Birdie is better!

Hole #17 (Par 4)

CH	A	B	ONS	C	R
409	409	390	390	310	310

Green Depth = 27 yds (+3)

The penultimate hole is all about placement off the tee. A tee shot to the 150-yard marker will leave you with a flat lie on the top level of the fairway with a clear view of the green below.

Playing to the left side of the fairway will give you a great line into the green. Just beware of the greenside bunker on the right side. It is a small green, and if you hit the ball long on your second shot, you might find yourself in the penalty area.

Hole #18 (Par 4)

CH	A	B	ONS	C	R
410	372	372	372	372	372

Green Depth = 35 yds (-12)

A great finishing hole awaits you here with a beautiful look at the clubhouse behind the green.

A penalty area comes into play on the left, and bunkers are on the right side. Find the fairway and you will have an uphill approach into a large two-tiered green.

Be sure to take an extra club on your second shot and stick it close if you expect some applause!
