### NOTICE TO COMPETITORS

This information supplements the 2026 Local Rules and Terms of Conditions for the GTA AM Tour. The current issue of the Golf Canada Rules of Golf govern play. **Any rules on the host club scorecard do not apply. Penalty for breach of a Local Rule is the general penalty, unless otherwise noted.**

1. **OUT OF BOUNDS (Rule 18.2):** See GTA AM Tour Hard Card for how Out of Bounds is defined.
2. **HOST CLUB DROP ZONES ARE NOT AVAILABLE:** Any Drop Zone available at this event will be indicated by a GTA AM Tour sign.
3. **PENALTY AREAS (Rule 17):** Red and yellow lines define the edge of the penalty area. Where penalty areas are not marked with lines, the change in the height of the grass defines the edge of the penalty area. Where there is no change in the height of the grass, the penalty area is defined by its natural boundaries. Unmarked penalty areas are red penalty areas.

#### **DROP ZONES AVAILABLE:**

**HOLE #14:** For a ball that enters the penalty area in front of the green, another ball may be put in play using Rule 17.1d, or *as an additional option may use the Drop Zone* located on the Red tee deck.

4. **OBSTRUCTIONS AND GROUND UNDER REPAIR (Rule 16.1 applies):** Any areas of ground under repair will be marked or noted.

**NO PLAY ZONES:** Areas that are ornamental garden beds, turf nurseries or decorative flowerbeds are No Play Zones that are to be treated as Ground Under Repair. Players must proceed under Rule 16.1f.

### WELCOME to THE BLUE TEES CLASSIC!

*The opening hole at Trillium Wood Golf Club is a long, straight Par 5. If you catch this hole into the wind, then pull out the driver. If not, there is a creek crossing the fairway, so choose your tee shot wisely and stay short of it. From there, you want to favour the right side of the fairway, which will leave a better angle to the severely sloped green, protected by a large bunker to the left. Missing long or left here means a delicate chip or a speedy putt. Par is a good score to start!*

## Hole #2 (Par 3)

CH	A	B	ONS	C	R
153	153	128	128	128	128

**Green Depth = 30 yds (+1)**

*This short Par 3 looks inviting from the tee, but the hole requires a shot below the pin. If you come up too short, you could find the small gully fronting the green.*

*Make sure to pick the right club and commit to the swing. Missing left gives a good angle for any chip, but too far left could mean trouble. If you find yourself short of the pin, make a good run at Birdie and take those coveted \$KIN\$.*

## Hole #3 (Par 4)

CH	A	B	ONS	C	R
385	385	356	356	331	331

**Green Depth = 27 yds (-1)**

*The 3rd hole provides the golfer with an excellent risk-reward Par 4. If you want to challenge this hole, thread the gap down the right side, but make sure you have the horsepower to clear the corner. If you succeed, a flip wedge and definite Birdie chance awaits. If you leak it right, you will need to tee up a provisional.*

*Your approach shot plays a club longer than it appears to the eye, so make sure to factor this into your calculation.*

## Hole #4 (Par 4)

CH	A	B	ONS	C	R
407	381	381	381	341	341

**Green Depth = 27 yds (-4)**

*In the wisdom of Roy McAvoy, "grip it and rip it" on this medium length Par 4. The ideal position is to carry the 150-yard marker, taking the water out of play and leaving a great angle to the green. If the water scares you, then lay up to 200 yards, but expect a difficult approach. Do not go over this green or expect a big number on your card.*

*Make Par on this Signature Hole and you will likely gain a stroke on the field!*

## Hole #5 (Par 3)

CH	A	B	ONS	C	R
161	140	140	140	113	113

**Green Depth = 23 yds (-6)**

*This challenging Par 3 can make or break your front nine with a green that is difficult to hold. Despite tipping out at 165 yards, the hole plays uphill all the way.*

*A tee shot appearing on the front of this green is actually your best shot, so picking the right club is key to finding the green. Once again, you don't want to be long, but missing left or right is certain death!*

## Hole #6 (Par 5)

CH	A	B	ONS	C	R
504	504	469	469	469	469

**Green Depth = 37 yds (+2)**

*Your 2nd Par 5 is a dogleg right that can be reached in two by longer players; however, it requires a left to right tee shot that skirts the corner. If a straight or left ball is your jam, then better to lay back off the tee and play to the 100-yard marker for your best chance at Birdie. The long, narrow green is protected by a dead tree on the left, and a huge bunker on the right, so hitting the ball straight is required if you're expecting a green in regulation!*

## Hole #7 (Par 4)

CH	A	B	ONS	C	R
387	387	362	362	362	362

**Green Depth = 27 yds (-8)**

*This short Par 4 is a slight dogleg to the left with two options off the tee. Either challenge the fairway bunkers and leave yourself 100-120 yards, or lay back to the 150-yard marker, taking the trouble off the tee out of play.*

*The approach is to a two-tiered green, and finding the correct tier is key to avoiding a 3-putt.*

*Par is a good score, but good iron shots could be rewarded with Birdie!*

## Hole #8 (Par 3)

CH	A	B	ONS	C	R
191	156	156	156	131	131

**Green Depth = 22 yds (-4)**

*Don't let the yardage fool you on this medium-length Par 3, as this hole has been Aced more times than any of the other short holes.*

*If the pin is tucked over the bunker in the back right, a left-to-right shot can feed down to the hole for that elusive 1!*

*If the pin is to the left, take dead aim and stick it tight. A good chance to change your fortune on this inviting Par 3.*

# Trillium Wood Golf Club

## Hole #9 (Par 5)

CH	A	B	ONS	C	R
527	490	490	490	461	461

**Green Depth = 33 yds (+1)**

*As you head back out of the forest, the entire hole says to unleash the Kraken. With a bailout down the right, take the big dog and see if you can reach this straight away Par 5 in two. The green is where this hole becomes interesting: large and protected by bunkers on all sides, except for a small opening in front. This green is also prone to 3-putts, so your best chance is to hit it close. You can either extend your lead here or get back into the round and grab a beer as you head to the 10th!*

# Trillium Wood Golf Club

## Hole #10 (Par 4)

CH	A	B	ONS	C	R
400	400	375	375	375	375

**Green Depth = 23 yds (-5)**

*The back nine begins with a tricky hole that winds/doglegs to the right. Challenging the corner of this hole is an absolute "NO GO ZONE", as anything clearing the trees will find the marsh area lurking on the opposite side. If you don't want to take a drop, play to the 150 marker and take your chances from there.*

*The 2nd shot plays shorter than it appears, and you can take dead aim if the pin is anywhere but on the left.*

## Hole #11 (Par 5)

CH	A	B	ONS	C	R
538	507	507	507	467	467

**Green Depth = 44 yds (+14)**

*Just like #9, this Par 5 promotes a "bombs away" approach. With room left and right, this green can be reached in two, depending on wind conditions.*

*The front of this green is narrow, but if you go for it in two, the bunkers are a common place to miss. If you decide to lay up, favour the right side of the fairway for a straight on approach to this narrow green.*

GOLF

# Trillium Wood Golf Club

## Hole #12 (Par 3)

CH	A	B	ONS	C	R
166	166	166	166	166	166

**Green Depth = 24 yds (-4)**

*This medium-length Par 3 is right in front of you. The green has two tiers, so picking the right club is key to a realistic chance at a Birdie.*

*Unlike most holes at Trillium Wood, long is better than short.*

*The green is only 24 yards deep, so picking the correct club is key to an easy Par.*

# Trillium Wood Golf Club

## Hole #13 (Par 4)

CH	A	B	ONS	C	R
366	366	343	343	343	343

**Green Depth = 30 yds (+3)**

*This short Par 4 plays straight away with two fairway bunkers protecting the left side of the landing area. Longer hitters may be able to carry these bunkers, giving themselves a short approach to the slightly angled green.*

*If you don't have the power to carry the bunkers, playing to the right side of the fairway will open the approach shot. This hole will yield a lot of Birdies, so don't count on cashing in on this hole!*

## Hole #14 (Par 3)

CH	A	B	ONS	C	R
172	172	130	130	130	130

16

**Green Depth = 22 yds (+5)**

*The 14th hole is a short Par 3 playing as a wedge for most players. Without a bunker, this green is protected by a large marsh directly in front of it. Long is no bargain either, so commit to your club and hit it pin high. This hole will yield scores from 2 to 6, so better to be on the good side of that equation.*

## Hole #15 (Par 4)

CH	A	B	ONS	C	R
345	345	320	320	320	320

**Green Depth = 25 yds (-7)**

*This short Par 4 offers an inviting fairway for the player. Longer hitters may choose to carry the right bunkers for a flip shot into the green; however, shorter hitters can aim at the trees on the left.*

*If you stay short of the left bunker, you have an excellent angle to the green, no matter the pin position. Another hole where Birdie will not put any cash in your pocket!*

## Hole #16 (Par 5)

CH	A	B	ONS	C	R
520	520	488	488	488	488

**Green Depth = 33 yds (+13)**

*The 16th hole is a short Par 5 that will give up some eagles but will cause its share of double bogeys. With a large pond down the left side, a wayward tee shot could find a watery grave. A good tee shot will find the fairway and leave the player the chance to reach this green in two. Bunkers protect the green left and right, so hitting it straight can leave you with an eagle putt.*

## Hole #17 (Par 4)

CH	A	B	ONS	C	R
426	392	392	392	354	354

**Green Depth = 27 yds (+3)**

*Playing as the #2 Handicap Hole, the 17th hole can solidify your victory or crush you in defeat. This slight dogleg left is protected by a large pond that only the Bryson's of the world can attempt to carry.*

*Most players will need to aim at the fairway bunkers and stay short of them, leaving 150-175 yards into this receptive green. Par is an excellent score, so don't get greedy trying to make up some ground!*

# Trillium Wood Golf Club

## Hole #18 (Par 4)

CH	A	B	ONS	C	R
368	368	352	352	308	308

**Green Depth = 26 yds (-5)**

*The final hole at Trillium Wood G.C. can offer some fireworks for the longer and more aggressive players. If you have the length and bomb it over the corner, you can greatly shorten this hole. Shorter hitters can play this hole the traditional way, leaving 100-150 yards into the green. Beware of the pot bunker fronting the green, as it can result in some awkward lies.*

*Hopefully, there are some spectators here so you can tip your cap in victory!*
