Hole #1 (Par 4)

CH	A	B	ONS	C	R
296	296	296	296	296	296

Green Depth = 30 yds (-8)

Welcome to:
"The Warmth of Jamaica"

A short and tempting straightaway opening hole. Big hitters can reach the green, but greenside bunkers offer strong protection, so a hybrid or long iron is the smarter, more controlled play. Avoid missing to the right, as an errant tee shot almost certainly means a lost ball.

Hole #2 (Par 3)

CH	A	B	ONS	C	R
156	156	144	144	144	144

17

Green Depth = 25 yds (+5)

Don't let this short Par 3 fool you. Bunkers guarding the front-right and left can quickly turn a simple par into a bogey.

Pay close attention to the wind, play for the centre of the green and hopefully walk away with a stress-free score.

Hole #3 (Par 4)

CH	A	B	ONS	C	R
409	399	362	362	362	362

Green Depth = 32 yds (+3)

Etobicoke Creek makes its first appearance here. Although the tree-lined right side is marked as a penalty area, the ideal tee line is left-centre to set up the best angle into the green. Mind the bunkers guarding both sides of this green.

Hole #4 (Par 4)

CH	A	B	ONS	C	R
335	335	335	335	335	335

Green Depth = 28 yds (+4)

**Leave the driver in the bag.
This dogleg left requires a
controlled 190-to-210-yard tee
shot. Aiming directly at the
fairway bunker with a slight
right-to-left ball flight is ideal.
Your approach demands
precision, with bunkers waiting
front-left, right, and directly
behind the green.**

Hole #5 (Par 3)

CH	A	B	ONS	C	R
211	187	187	187	160	160

Green Depth = 31 yds (+7)

Played from an elevated tee deck, wind judgment is crucial here.

Three greenside bunkers lie in wait, so accuracy is paramount. A par on this hole is always a solid score, but a Birdie is possible!

Hole #6 (Par 4)

CH	A	B	ONS	C	R
362	362	348	348	330	330

Green Depth = 24 yds (+4)

This Par 4 shows its teeth on the approach. A deep front-right greenside bunker makes for an extremely difficult recovery shot.

***Avoid it at all costs if
you want to mark a
Par on your scorecard!***

Hole #9 (Par 4)

CH	A	B	ONS	C	R
338	338	338	338	324	324

Green Depth = 29 yds (+2)

A straightforward tee shot to close out the front nine. A straightaway driver will get you close to the green, but a fairway wood or long iron works just as well. Watch the creek to the right and the trees to the left. The green is attackable, so long as you avoid the bunkers fronting it.

CH	A	B	ONS	C	R
408	375	355	355	355	355

9

14

Green Depth = 27 yds (+1)

A solid drive down the right-centre of the fairway is required here to avoid the bunkers down the left.

With the pin on the middle-left, you'll have a fantastic angle to attack the flag and walk away with a birdie.

Hole #11 (Par 5)

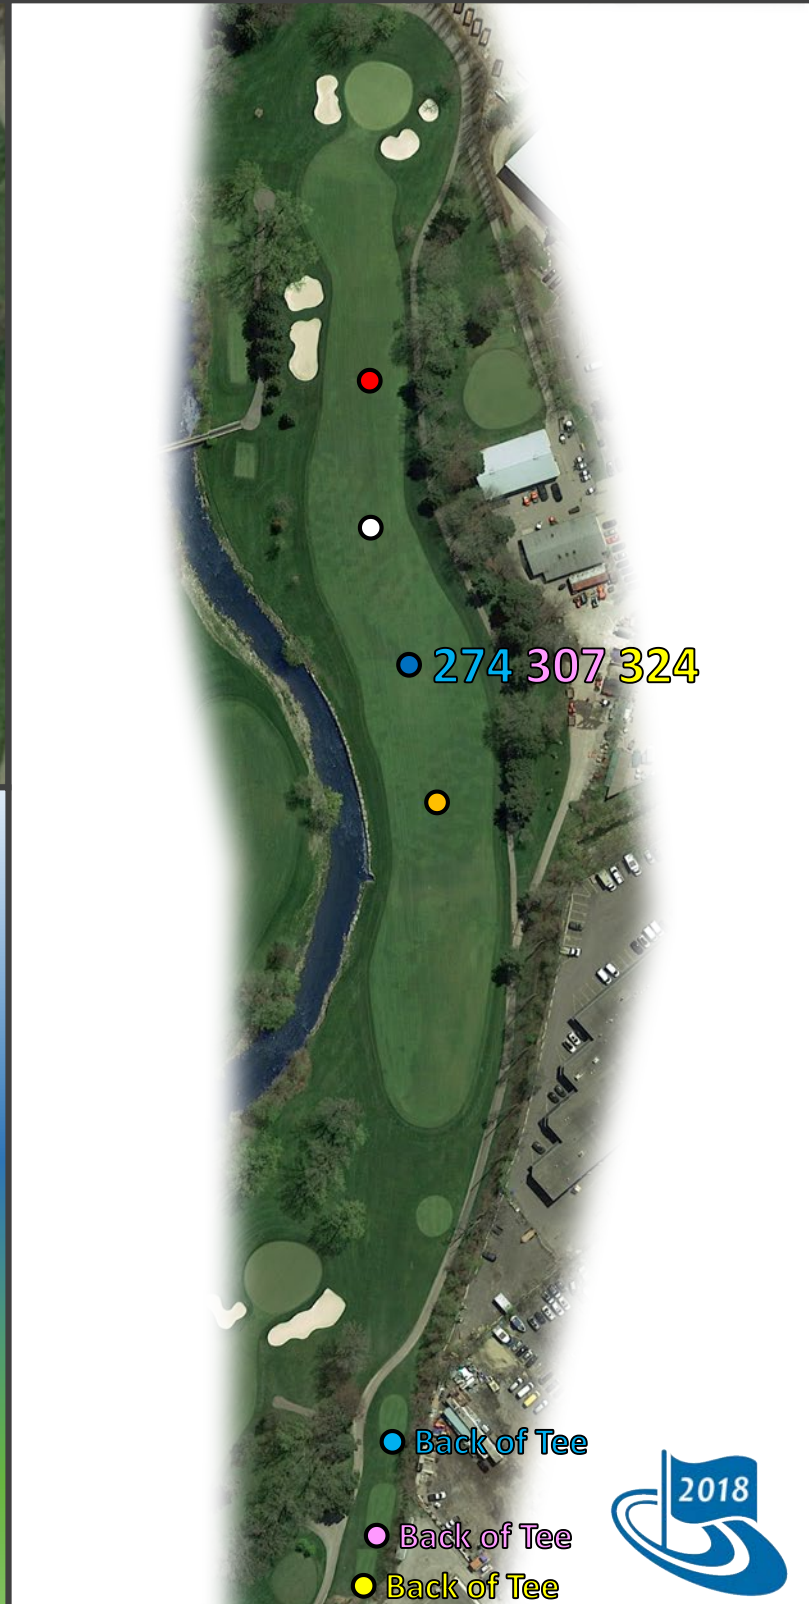

CH	A	B	ONS	C	R
523	504	474	474	474	474

Green Depth = 24 yds (+6)

The lone Par 5 on the back nine demands pinpoint accuracy off the tee.

Etobicoke Creek lines the left side, while OB waits on the right. Treat this as a true three-shot hole. Aim at the left-hand fairway bunkers off the tee to leave yourself a simple 100-yard wedge into the green.

Hole #12 (Par 4)

CH	A	B	ONS	C	R
390	360	350	350	327	327

Green Depth = 27 yds (+3)

The signature hole of the course features a striking Sycamore tree on the right. Be sure to take enough club off the tee to clear the fairway bunker, leaving you with an 80- to 110-yard approach. Take an extra club into this green, as the pin sits back today, protected by bunkers on either side.

Markland Wood Golf Club

Hole #13 (Par 4)

CH	A	B	ONS	C	R
350	350	340	340	340	340

Green Depth = 28 yds (+1)

Keep the driver stowed off this tee. A 180 to 200-yard left-to-right shot is the optimal play on this hole. The elevated green is deceptively tricky, as anything short will catch the false front and roll back 15 to 30 yards. Pick your club and commit fully to the shot.

Hole #14 (Par 4)

CH	A	B	ONS	C	R
340	340	316	316	316	316

Green Depth* = 27 yds (-4)

*** Green depth alignment is from the 100-yard marker.**

This dogleg left rewards a solid tee shot positioned down the right side. Catching the slope will leave you with a soft wedge into the green. Straying too far right endangers local backyards, while a miss to the left risks the penalty area. Take your time and commit to your shot!

Markland Wood Golf Club

Hole #15 (Par 4)

CH	A	B	ONS	C	R
375	375	365	365	365	365

Green Depth = 35 yds (+4)

A slight dogleg right flanked by two dangerous fairway bunkers on the right and a penalty area on the left. Aim your tee shot into the safe zone between the 150-yard marker and the bunkers to set up a clean angle into the green.

Hole #16 (Par 3)

CH	A	B	ONS	C	R
166	166	166	166	166	166

Green Depth = 32 yds (-4)

A stern Par 3 test where wind is almost always a factor. Target the centre of the green to avoid the surrounding left and right bunkers, and secure your two-putt par.

This is the GTA Am Tour Hole-in-One Competition!

Hole #17 (Par 4)

CH	A	B	ONS	C	R
370	360	320	320	320	320

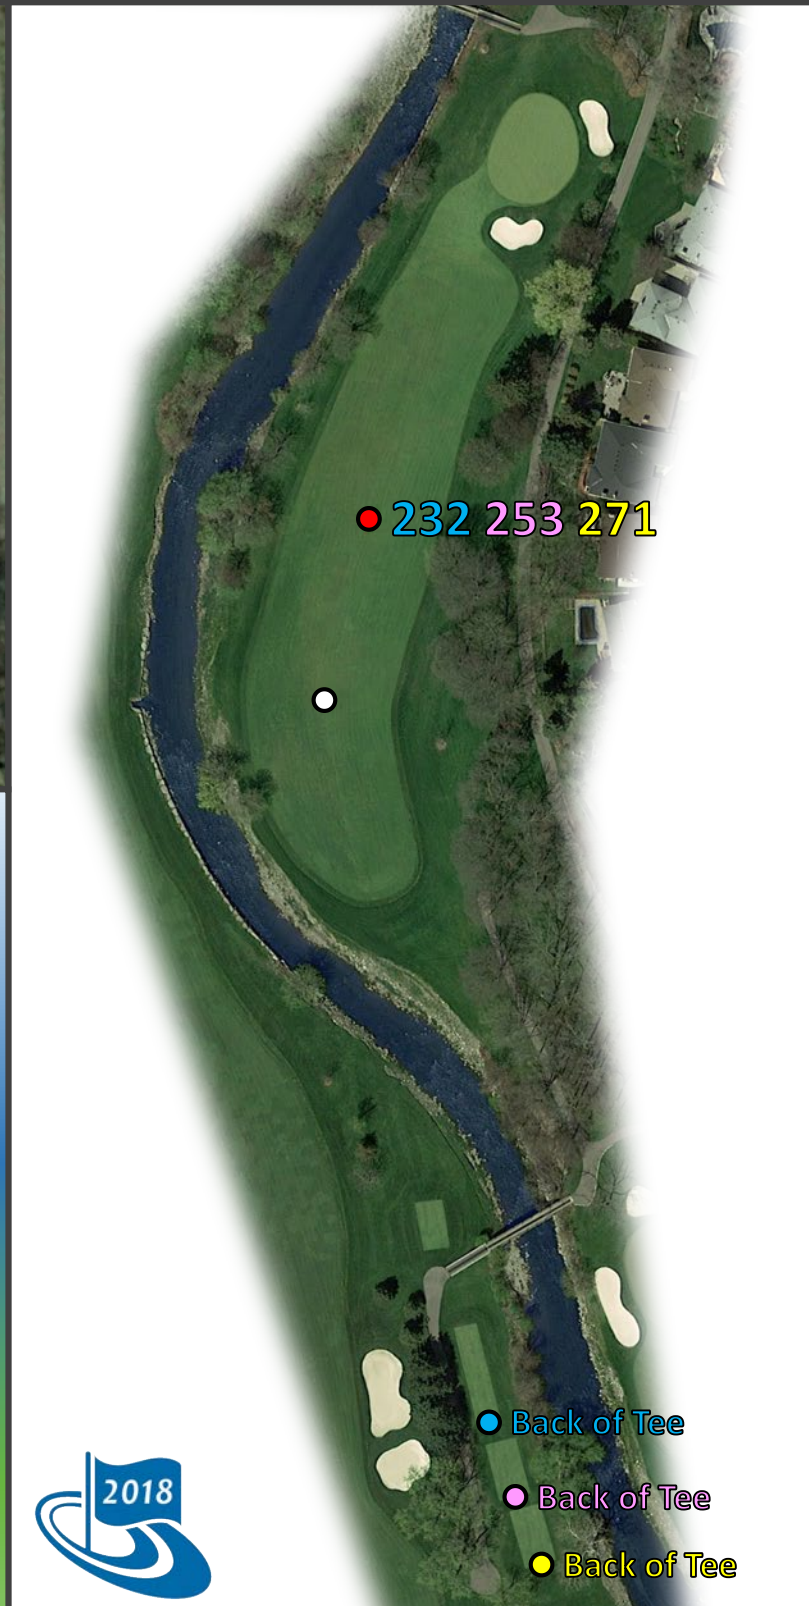

Green Depth = 28 yds (+3)

This short Par 4 heavily favours a left-to-right shot shape. A tee shot placed left-centre opens up the green, but don't pull it too far left, or the creek comes into play. A push to the right means a re-tee, so find the short grass for the best shot at par on this hole.

Markland Wood Golf Club

Hole #18 (Par 3)

CH	A	B	ONS	C	R
205	187	187	187	176	176

Green Depth = 30 yds (-6)

A dramatic finishing Par 3. The wind frequently demands taking up to two extra clubs to carry Etobicoke Creek one final time. Bunkers guard both flanks, but with a front-centre pin, a confident shot gives you a great look at birdie to finish your round.

We hope you enjoyed playing Markland Wood Golf Club!
