The GTA AM Tour Pace of Play Policy is in effect for this tournament

Below are situations when groups are considered OUT OF POSITION and may be subject to penalty:

1. The first group to start will be considered out of position if, at any time during the round, they exceed the time allotted to play.
2. Any following group is out of position if,
   A. when starting play of any par 3 or 4 hole the preceding group has completed play of the hole OR takes more than the allotted time to finish a hole, and
   B. when starting play of any par 5 hole, the preceding group of players is on the putting green OR takes more than the allotted time to finish a hole.
3. Pace of play will be monitored by the GTA AM TOUR. Any group out of position MUST regain it's position.
4. A group that is out of position will normally be so informed by the Committee prior to monitoring and timing. However, the Committee reserves the right to time any group that the Committee deems is out of position, whether or not the group has been informed.
5. Any player in a group which is out of position is subject to penalty (as described in the GTA Am Tour's Pace of Play Policy) for undue delay if, during the round, he twice takes 40 seconds or more to play a stroke.
